

Maximize your savings with smart thermostats!

The Multi-Family Energy Savings offering provides free and discounted smart thermostats to help you save money at your property and improve tenant comfort.

ENERGY STAR® certified smart thermostats offer many benefits including:

- Allowing tenants to easily monitor and control the temperature in their homes remotely from web-enabled devices.
- Adapting to temperature preferences and adjusting automatically.
- Sensing when your residents are home or away, optimizing comfort and conserving energy.
- Notifying tenants if temperature drops below or rises above a set "safety temperature".

Your property may be eligible for free or discounted smart thermostats.

Free smart thermostats may be available for income eligible or public housing properties. Please contact the program team to confirm eligibility.

Get started now!

1. Schedule an appointment for one of our energy advisors to perform a FREE energy assessment.
2. Receive a customized report recommending incentives available for energy improvements.
3. If eligible, select a smart thermostat from our offering to install at your property.

To get started, call 855-993-0940 or visit multifamilyportal.com.

Terms and conditions apply. Offer subject to change. Installed products may vary.

This program is funded by ComEd, Nicor Gas, Peoples Gas and North Shore Gas customers in compliance with state law.
